Looking for a way to connect with fitness programs in our community? We're taking steps to build a healthier, more resilient community. [Click here to join our mailing list and we will keep you informed of area programs.](#)

San Augustine **Get Walking**

San Augustine High School Track **702 N. Clark St.**

The track at San Augustine High School is available to residents for walking seven days per week when events or classes are not being held.

Sidewalks

New sidewalks in front of the rodeo arena and high school on Hwy 147 connect residents, especially children in that neighborhood, to these two sites. Recent expansions to the intersection of Hwy 21 E will bring walkers safely from the elementary school all the way into downtown San Augustine where they can walk our historic square. New sidewalks near Methodist Church on Main Street connect residents in this populated area to the downtown and help complete a loop of 3-4 miles of accessible sidewalk.

Trails

AgriLife Family and Community Health Extension **201 N. Harrison, 936-275-3644**

There is a new walking trail and park being developed at the AgriLife Extension Office area. A play area has been furnished with equipment for the children by the Garden Club. A covered pavilion offers parents a shady place to watch their children play.

Ayish Bayou Trail **611 W. Columbia St.**

This recently revamped trail is considered a cross country wooded trail, which starts at Ayish Park

(directly behind Chamber of Commerce Log Cabin at 611 W. Columbia Street) and goes to Hwy. 147. The distance of the trail is 2.2 miles in one direction so when complete trail is walked it is 4.4 miles in length.

Exercise Groups

Agrilife Family and Community Health Extension

201 N. Harrison, 936-275-3644

Exercise classes are held three times weekly. Call for details.

[San Augustine Body Shop LLC](#)

124 E. Columbia St., 936-201-9848

This private gym has 24/hours access for members, Zumba classes depending on instructor availability, and access to a personal trainer for an additional fee.

More

Mission Dolores RV Park

701 S. Broadway St., 936-275-3815

This park has walkable asphalt roads. A one-mile walking trail from 147 is available through area and connects with the RV park. Another ¼ mile walking trail is available with an incline at the site of the Old Mission Dolores. The park also features a 9-hole Frisbee course at the old mission site that will be expanding to an 18-hole course.

Broaddus

Get Walking

Sidewalks

Broaddus High School

16405 TX-147

New sidewalks available on Hwy 147 connect the high school via a 1.2 mile-path to Scarber's Auto Repair (801 TX-147).

Exercise Groups

First Baptist Senior Citizens Walking Group

Monday, Wednesday, Friday

Join this group on the sidewalk path between the high school and Scarber's Auto Repair (801 TX-147) three times a week for a total distance of 2.4 miles.

Trails

Jackson Hill Park & Marina

2144 FM 3185 N, 936-872-9266

A cross country trail which totals 3 ½ miles is available for walking and cross-country runs. A walk around the paved section of the park totals 4 miles and is available to all residents in the area.
